

Train like a PRO

Personal SKILLS TRAINING Program

If your dream is to play professional soccer and/or achieve a full scholarship, we can help you get there. Maybe you just want to improve your skills or stay in shape. Playing sports gives you that competitive edge in life.

You will notice a dramatic improvement in your soccer skills, creativity and confidence while participating in **Elite Soccer Skills Training program**. All of the ESD Coaching Team are technical specialists, qualified and or have International playing experience.

At *Elite Soccer Development* players will benefit from the training program of Master Technical Coach *Clayton Rosario*. Clayton has over 17 years coaching experience with players age 4 to 22 and at all skill levels. He has travelled to France, Italy, Cuba, England and America to visit some of the top training centres for soccer development. Coach Clayton specializes in the Dutch and French Methods. Clayton brings his years of experience and knowledge to his students.
